

Every Tube. Every Core. Every Customer. Every Time.

# OX Strong Solutions

## Fabric & Textile Cores

For use in converting fabric, carpet, foam, foil and other materials, cores are manufactured to match your specific product and equipment needs. Most importantly, they provide an even wind which is critical in converting operations.

### Custom Made-to-order Solutions:

**Exact Specifications:** Each order receives individual attention so exact specifications and tolerances are met.

**Unbeatable Service:** 48 hour Lead-times for special orders, stock orders shipped same day of order.
