

Every Tube. Every Core. Every Customer. Every Time.

OX Strong Solutions

Film & Flexible Packaging Cores

High Strength converting cores for film, foil and other substrates that require high torque strength, high crush strength and smooth outer surfaces for winding and rewinding.

Custom Made-to-order Solutions:

Tolerances & Packaging: Blade Cut to specific length tolerances and packaged to customer needs.

Custom Surface Options: Various covers or seamless skived outside ply to provide a smooth outer surface for rewinding of light gauge materials.

Inventory & Just in Time: Stocking options and just in time delivery available.

Custom Diameters & Thickness: Diameters up to 24" & Wall thickness up to 1".
